Dear Mayukh Mukhopadhyay,

Thank you for your outstanding service as a reviewer for the 2024 Academy of International Business Annual Conference held July 2-6, 2024 in Seoul, South Korea. Your help by reviewing 3 different manuscripts for our conference enabled us to meet the tight schedule required and develop an outstanding program.

With the large number of manuscript submissions this year, your timely reviews were necessary to guide the selection of superior works for presentation at the conference. We were very excited with the resulting program and it delighted the scholars who attended the conference. Because of your hard work, we had one of the most interesting and stimulating conferences in AIB's history.

Your dedication is most appreciated and helps make the AIB the outstanding organization it is today.

P.S. Please find attached your certificate as an official evidence of your service as a reviewer to the AIB 2024 conference.

Sincerely,

Catherine Welch
