The Academy of Management is a leading professional association of scholars dedicated to creating and disseminating knowledge about management and organizations. The Academy's central mission is to enhance the profession of management by advancing the scholarship of management and enriching the professional development of its members. The Academy's membership consists of scholars at colleges, universities, and research institutions, as well as practitioners with scholarly interests from business, government, and not-for-profit organizations from across the globe. There are over 100 countries represented within the Academy's membership.

The Academy is committed to shaping the future of management research and education. As such, the Annual Meeting plays an integral part in achieving this goal, and we appreciate your continued contributions.
